

<p>1. It will cost 1.3 billion euros, up to 10 with new highways and other connected works. Public money stolen from all of us for a marketing operation in which only privates are making profits.</p>	<p>7. So far, dozens of people have been arrested for bribery, corruption, rigged contracts. According to the judicial inquiry, over two million euros were paid for bribes</p>	<p>11. One of the side works had a particularly beautiful and evocative name: Via d'Acqua. It is nothing but a concrete channel that would have damaged four state parks, if citizens didn't blocked the work</p>
<p>2. The theme of the event is "Feeding the planet," but over 1,000 acres of farmland were cemented to build Expo</p>	<p>8. Corruption in Expo 2015 affects every field: it's economic, cultural, political, social and ideological.</p>	<p>12. The contract of the Water Way was won by one of the most bribery-controlled companies in Expo: Maltauro</p>
<p>3. It will be a fair of agribusiness corporations with companies in plain sight such as Nestlè, Coca-Cola, Eataly, Monsanto, a mix between country fair and tourism fair where GMOs and Slow Food live together</p>	<p style="text-align: center;">DO YOU KNOW EXPO 2015 ABOUT... ?</p> <p style="text-align: center;">#EXPOFEMALE</p>	<p>13. You pay Expo three times: with public money stolen to build it, with corruption and with a very expensive ticket: 32 to 39 euro!</p>
<p>4. It is governed by a Special Commissioner who has the ability to modify the law without any transparency</p>		<p>14. News says Expo has already sold 5 million tickets: That's a lie, they handed them over to tour operators, until now only 20.000 tickets have been sold.</p>
<p>5. It promised 70,000 jobs. Up to now only 3,700 temporary contracts were made. By the way Expo is recruiting more than 18,000 volunteers, now resized to 7,000, who will work for free for a private company</p>	<p>9. More than 44 companies near 'ndrangheta and mafia have been pecked at work on building sites linked to Expo</p>	<p>15. The use of the Commissioners, the special powers, the construction of the emergency are the main points of "Unlock Italy", the new law-pack of Renzi's government.</p>
<p>6. Using the big event as an excuse, and with the agreement of CGIL-CISL-UIL unions, temporary contracts were allowed in Lombardy until April 2016.</p>	<p>10. The biggest contracts were won by left-winged and catholic companies, such as "Compagnia delle Opere" and the usual well-known names like CMC, Mantovani, Maltauro and Coveco.</p>	<p>16. The things you see they're doing with Expo today, you'll see them tomorrow all over the country.</p>
